- Mentioned that he will be attending the Smart Hydrant training tomorrow.
- Planning on installing Village signs and flags.
- Will be sending out a code-red next week before they stripe the streets.

Corporal Erik Kulaga :

- Reported there was an incident over the weekend involving 100 cars and spectators shooting off fireworks at police vehicles and doing a street take-over on 47th and Central between 2:00 – 3:00 am. There were a few tow and impounded cars.
- On Monday they tried to do another street take-over, but it failed due to police presence.

Interim Village Administrator John DuRocher spoke on behalf of Fire Chief Mark Jones:

- Reported that on Friday the Forest View Fire Department was dispatched to a significant incident at 4805 Harlem Ave, the site of Apex Oil Company. A fuel tank experienced an implosion, and the insulation between the inner and outer tank ignited. The Fire Dept observed the imploded tank and promptly activated the Hazardous Materials team alongside a Foam Task Force from the City of Chicago. The MABAS Box Alarm was engaged, facilitating the deployment of a drone for aerial reconnaissance and summoning support from additional Fire Department within the area. Forest View Police Dept and Public Works also provided crucial assistance.
- President Liska told Administrator DuRocher to notify Home School in case of an evacuation.
- Village Clerk Laura McGuffey posted a Community Alert on the village website advising of the ongoing incident and that the situation was under control and the community was safe.
- Office Manager Lucy Vogt put out a Code Red Alert once the Code Red System came back up.
- In conclusion, John asked residents to call 911 first before recording videos and posting online.

C.) REPORTS FROM VILLAGE TRUSTEES

- Trustee Nevarez commented that during an event at the Park District Recreation Center the Police were called after they noticed someone park the car in the Park District Parking

Lot and walk up on the tracks. Police stated that the car had been stolen from an impound earlier. In conclusion, Park District was asked to keep their doors locked.

- Trustee Grossi asked John about the resident who did concrete construction without a permit. John told him that the resident was instructed to remove the concrete and then he submitted another building permit to install concrete.
- Discussion ensued and trustees would like to update the ordinances so in the future if there is a building permit violation, the village would implement a 6-month waiting period before another permit is granted.

D.) REPORTS FROM THE VILLAGE PRESIDENT LISKA:

- Discussed updating our Code of Ordinances and told the board that they should go through the codes before the next board meeting and make suggestions on how they can get this done. He said we will need to seek out legal advice on vetting Solicitors. Providing a notice information them that they will need to have their credentials checked out first and have waiting period before they are issued a solicitors badge.
